

How To Register For CITI Program At DMACC

All individuals involved in human subjects research are required to complete CITI Training before applying for IRB approval.

This guide offers a step-by-step process for registering for the CITI Program at Des Moines Area Community College, helping users navigate the registration process with ease. By following this guide, individuals can successfully register and start accessing the basic course.

- 1 Navigate to <https://about.citiprogram.org/>

- 2 Click "Register" or the hamburger link.

- 3 If you used the hamburger link, click "Register."

The image contains two screenshots of the CITI Program website. The left screenshot shows a mobile-style navigation with a 'Register' button highlighted with an orange circle. The right screenshot shows a desktop view of the homepage with a 'New Course - Medi...' banner and a 'The Trusted Standard of Compliance' section.

- 4 Click "Select Your Organization Affiliation"

The image shows the CITI - Learner Registration page. It features a 'Select Your Organization Affiliation' button highlighted with an orange circle. Other buttons include 'LOG IN', 'LOG IN THROUGH MY ORGANIZATION', and 'REGISTER'. The page also includes a 'CITI - Learner Registration' header, a 'Steps: 1 2 3 4' navigation, and two descriptive boxes: 'Independent Learner Registration' and 'Select Your Organization Affiliation'.

This option is for persons affiliated with a CITI Program subscriber organization.

Use this option if you are paying for your courses. This for persons not affiliated with a CITI Program subscriber organization, or who require content that their organization does not provide. Fees apply. Credit card payment with American Express, Discover, MasterCard or Visa is required. Checks are not accepted.

What are continuing education (CE) credits?

CE credits are used by licensed professionals in fields such as healthcare and education to maintain their license status. They are not related to the credit hours earned by students at academic institutions, and most students make use of CE credits. [Learn more about CE credits.](#)

Are you a licensed professional who would like to earn CE credits?

No

Yes

1. Please select the type(s) of CE credit you would like to earn. *

ACCME-IPCE

credits

ACCME continuing medical education (CME) credits are available for Athletic Trainers, Dentists, Dietitians, MDs, DOs, PAs, Nurses, Optometrists, Pharmacists, Psychologists, and Social Workers. We also offer *AMA PRA Category 1 Credits™* for other professionals. IPCE credits require payment. [Learn more about CITI Program's ACCME CME Credits](#)

The required training for submitting an IRB application is the "Social & Behavioral Research Investigators" course. The other training options listed are not necessary for the IRB application process.

Human Subjects Research Training

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

- Biomedical Research Investigators:** Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.
- Social & Behavioral Research Investigators:** Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.
- Research with data or laboratory specimens- ONLY: No direct contact with human subjects.
- IRB Members: This Basic Course is appropriate for IRB or Ethics Committee members.
- Not at this time.

24

Once all questions are answered, click "Submit."

of Research.

- Biomedical Responsible Conduct of Research
- Responsible Conduct of Research for Engineers
- Humanities Responsible Conduct of Research
- Physical Science Responsible Conduct of Research
- Social and Behavioral Responsible Conduct of Research
- Responsible Conduct of Research for Administrators
- Not at this time.
