

TSA Registration Directions (Detailed):

The link provided will take you to the page below.

TSA: Intro to Homeland Security [Previous Course](#) | [Next Course](#)

CRN: 33204
Date: 08/17/2017 - 08/23/2017
Time:
Course Description:
The course is an examination of the role government and, more specifically, first responders play in the current threat to our nation from terrorism. The course will examine the role, authority, and history of the government when faced with these threats. The structure, style, and current practices will be covered along with an attempt to discover best practices and cost effective solutions. Please note: This course is open to current TSA employees only. Registration is not complete until DMACC has required student FERPA documentation on file.

Location: Internet class
Room:
Days:

Course/Section: DTS501 300
Instructor: Not-Applicable *
Contact Hrs: 0 hours
